

THE ITALIAN JOB

As soon as the chill lifts, hot foot it to Rimini, Italy's answer to Ibiza. Where to stay? The stunning duOMO Hotel, designed by Renzo Angiolini and B&B Italia. Treat yourself to the 'Dreaming' suite complete with outdoor Jacuzzi. Enq www.designhotels.com

COINTREAU

Try the 'Unexpected' created by mixologist Hannah-Charlotte Westford at Zander Bar. Put 10 mint leaves and juice of 3 lime wedges in a glass with crushed ice. Add 50ml Cointreau, top with ginger ale and garnish with orange peel.

SPARKLE

New shoes are always an exciting prospect. But shoes embellished with crystals and jewels? Beyond excitement, and so great with jeans.

GET SHIRTY

We simply can't recommend this season a shirt-dress enough - sexy and wearable with a nod to school uniform days. Just add a satchel!

CHAIN GANG

Kate Moss wears hers around her neck, but this season gold chains are everywhere - from shoes to bags to belts. Keep them chunky though, ladies.
